LANDLORD EXPECTATIONS

1. The landlord will provide the following to SIMPCO: proof of loss of revenue due to COVID-19 (either tenant or landlord's lost/reduced wages); current W-9 form; agree to a Habitability Standard Inspection for the rental unit receiving assistance; submit a cancelled check(s) or outstanding bill(s) for any direct financial assistance received; submit a project invoice for all rehabilitation projects including before and after photos of the work completed; and, for rehabilitation projects exceeding \$5,000, landlord must submit proof that 3 bids were obtained and that the project was awarded to the lowest responsible bid.
2. The landlord will provide housing that is affordable and well maintained over the length of the tenancy.
3. The landlord will communicate orally and/or in writing with SIMPCO when problems arise with the covered household. Problems may include issues raised during the application process (i.e. incomplete information or failure to meet screening criteria) or during tenancy. Specifically, the landlord commits to notifying SIMPCO 1) issues that may lead to a written notice to the tenant, 2) any type of written notice to the tenant, 3) late payment of rent, 4) any other issues or action that may affect the continuation of tenant's tenancy, and 5) awareness of any potential or actual damage to the rental unit. The goal is to communicate with the Development District any issues with the tenant/unit for which the landlord is requesting assistance, and to ensure the tenant remains in the unit unless they sufficiently damage/destroy the unit or compromise their lease in any way.
4. The landlord must agree not to evict the tenant for the period of time that equals the current rental rate and the amount of assistance received, unless there are sufficient grounds to evict. Landlords must also work with the Development District to help guide tenants to resources such as community-based and tenant services that will provide rental education.
