I. Introductions

II. Review of Strengths and Weaknesses Discussion from 2/11/2021

- Staff briefly reviewed the strengths and weaknesses gathered in the previous meeting.
- Item suggested to add to the existing list: Sioux City as the County seat benefits the region as a hub for commercial/retail services.

III. Part II of the SWOT Analysis: Opportunities and Threats

- The Committee brainstormed opportunities and threats to Woodbury County under each subject chapter of the comprehensive plan. A very robust discussion was had and a full list of the perceived opportunities and threats are recorded within the Powerpoint presentation for this meeting.

IV. Data Analysis and Interpretation

- Due to limited time remaining in the meeting, staff briefly presented samples of data collected to support plan development and offered some conclusions of the trends shown.

V. **Meeting Wrap-up**

- Woodbury County resident and business owner surveys will be collected and presented at the next meeting.

Next Meeting – June 17, 2021, 3:00 p.m., SIMPCO Conference Room with Zoom Option
